EQUAL OPPORTUNITY, SEXUAL HARASSMENT & DISCRIMINATION

Harassment and Discrimination

We are required under Australian law to ensure that we provide a workplace that is free from all forms of harassment and discrimination (including victimisation and bullying) so that staff and students feel valued, respected and are treated fairly.

We will ensure that all our staff and students understand their roles and responsibilities in creating such an environment, by a process of training, communication, mentoring and by example. We will ensure all our staff and students are aware of the processes and procedures for addressing any form of harassment or discrimination.

Staff and students should be aware of the following definitions:

'Bullying' - is unwelcome and offensive behaviour that intimidates, humiliates, and/or undermines a person or group. Bullying involves a persistent pattern of behaviour over a period and may include verbal abuse, physical assault, unjustified criticism, sarcasm, insult, spreading false or malicious rumours about someone, isolating or ignoring a person, putting people under unnecessary pressure with overwork or impossible deadlines, and sabotaging someone's work or their ability to do their job by not providing them with vital information and resources.

'Confidentiality' - refers to information kept in trust and divulged only to those who need to know.

'Discrimination' - is treating someone unfairly or unequally simply because they belong to a group or category of people. Equal opportunity laws prohibit discrimination on the grounds of sex, marital status, pregnancy, family responsibility, family status, race, religious beliefs, political conviction, gender history, impairment, age, or sexual orientation. Victimisation is also treated as another ground of discrimination.

'Harassment' - is any unwelcome and uninvited comment or actions that result in a person being intimidated, offended, humiliated or embarrassed. Equal opportunity laws prohibit harassment on the grounds of sex and race.

'Personnel' - refers to all employees/staff/contractors of PT Academy.

'Racial Harassment' - occurs when a person is threatened, abused, insulted, or taunted in relation to their race, descent or nationality, colour, language or ethnic origin, or a racial characteristic. It may include derogatory remarks, innuendo and slur, intolerance, mimicry, or mockery, displays of material prejudicial to a race, racial jokes, allocating least favourable jobs or singling out for unfair treatment.

'Sexual Harassment' - is any verbal or physical sexual conduct that is unwelcome and uninvited. It may include kissing, embracing, patting, pinching, touching, leering or gestures, questions about a person's private or sexual life, requests for sexual favours, smutty jokes, phone calls, emails, facsimiles or messages, offensive noises or displays of sexually graphic or suggestive material.

'Victimisation' - includes any unfavourable treatment of a person as a result of their involvement in an equal opportunity complaint. Unfavourable treatment could include: adverse changes to the work environment; denial of access to resources or work.

Specific principles

All staff and students have a right to work in an environment free of any form of harassment and discrimination,

- All reports of harassment and discrimination will be treated seriously, impartially, and sensitively. Harassment and discrimination, including victimisation and bullying, is unwelcome, uninvited, and unacceptable behaviour that will not be tolerated,
- When management is informed of any harassment or discrimination, it has the responsibility to take immediate and appropriate action to address it,
- In dealing with all complaints, the rights of all individuals should be respected and confidentiality maintained,
- Whenever possible, a process of discussion, cooperation and conciliation should resolve all complaints. The aim is to achieve an acceptable outcome while minimising any potential damage to our organisation,
- Both the person making the complaint, and the person against whom the complaint has been made, will receive information, support, and assistance in resolving the issue,
- Victimisation is unacceptable and will not be tolerated. No person making a complaint, or assisting in the investigation of a complaint, should be victimised,
- Harassment or discrimination should not be confused with legitimate comment and advice (including feedback) given appropriately by management or trainers,
